

## LOCATION MAP

A map shall be submitted with each application and shall identify the following items:

1. Location of the proposed project.
2. Delineation and/or definition of the anticipated service area of the proposed project.
3. Location of similar facilities/sites within the anticipated service area of the proposed project.
4. North arrow, scale, project title, and date prepared.
5. Map size: 8 1/2 x 11 (Preferred). No larger than 20" x 25".

**NOTE:** Keep it simple, neat, and understandable. A map that does not identify the above items will be considered incomplete.
